

Ring Sizing Guide

Finding your perfect ring size at home is easy! Follow the steps below to measure your finger and be sure to print this page to scale.

How to Use the Guide

1. Gather your supplies, including a printer, printer paper, scissors and a ruler.
2. Print this page on a standard 8.5 × 11-inch sheet of paper.
3. Before printing, make sure your printer settings are set to 100% scale, this way the measurements below are accurate.
4. Once printed, use a ruler to verify that the size bracket is 5 cm.
5. Cut out the ruler at the bottom of the page.
6. Wrap the paper ruler around the base your finger so it fits snug.
7. Match the circumference in millimeters to the corresponding ring size outlined on the conversation chart.

Checking the Scale

If the measurement on the right is not accurate, your ring size will be incorrect.
Please do not use this chart , if so.
